

CCRA recognition for
components up to EAL 2
and ALC_FLR only

COMBITECH

Akkred. nr. 1914
Produktcertifiering
ISO/IEC 17065

COMMON CRITERIA CERTIFICATE

OpenText ArcSight Management Center 3.2.5 and SmartConnectors 8.5.1

Type of Product: Centralized software management tool

Product Manufacturer: OpenText, 275 Frank Tompa Drive Waterloo ON N2L 0A1, Canada, +800-4996-5440, www.opentext.com

Combitech Certification Identification: CAB2026001

Protection Profile Conformance: None

Assurance Package: EAL3 augmented with ALC_FLR.3

Certification Report: Certification Report OpenText ArcMC 3.2.5 and Connectors 8.5.1, version 1.0, CAB-260408-140202-276

IT Security Evaluation Facility: Combitech EC/ITSEF

Certification Body: Combitech Certification Center,
National Cybersecurity Certification Authority: FMV/ICC

Certificate Id: EUCC-3135-2026-000001

Validity: 5 years from the signing date

is through decision

2026-04-27

certified in accordance with the provisions of the Implementing Regulation (EU) 2024/482, EUCC

Anders Staaf

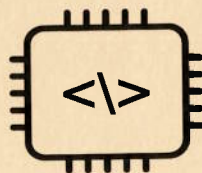

Head of Certification Center

The IT product identified in this certificate has been evaluated by an accredited IT security evaluation facility accredited under the EU Commission Implementing Regulation (EU) 2024/482 of 31 January 2024 using the Common Methodology for IT Security Evaluation, version CEM:2022, for conformance to the Common Criteria for IT Security Evaluation, version CC:2022. This certificate applies only to the specific version and release of the product in its evaluated configuration and in conjunction with the complete certificate report. The evaluation has been conducted in accordance with the provisions of the EU Commission Implementing Regulation (EU) 2024/482, EUCC, and the conclusions of the evaluation facility in the evaluation technical report are consistent with the evidence adduced. This certificate is not an endorsement of the IT product by Combitech or any other organization that recognizes or gives effect to this certificate, is either expressed or implied. The certificate is valid for a maximum of five years but can be changed over time. For information regarding the current status of the certificate, please contact Combitech Ljungadalsgatan 2B, Växjö, www.combitech.com/certificationcenter.
